

Announcing the Strategic Alliance of Helix Commerce International Inc. and Atlassian Software

TORONTO, CAN – April 18, 2006 Helix Commerce International Inc. (www.helixcommerce.com) has formed a strategic partnership with Atlassian, (<http://www.atlassian.com>) to deliver wiki solutions to meet customer's collaboration requirements in the Canadian market.

Dr. Cindy Gordon "We are honored to have formed an alliance with Atlassian. Our company has been using wikis to meet client needs over the past two years, and view Atlassian as a market leader in its ease of use, flexibility in architecture design and expansive global footprint to support our clients collaborative business needs."

Jeffrey Walker, President of Atlassian, says: "Finding a partner that is an international thought leader in collaboration and that has executive experience is exciting. We are delighted to strengthen our North America footprint in Canada and particularly with Helix.
